Victor Edozien Named to the Michigan Chronicle's "Men of Excellence" for 2017

WARREN, MI (PRWEB) July 1st, 2017

Victor Edozien, CEO and President of SET Enterprises, Inc (an Asaba Group Holdings Company) has been selected by the Michigan Chronicle to its 2017 and 10th anniversary class of "Men of Excellence." This the 10th year that the publication has celebrated African-American men who inspire others through vision, leadership, exceptional achievements, and participation in community service.

Mr. Edozien was chosen from among 400 nominations, based on his success as an entrepreneur, business executive, and SET Enterprises corporate social responsibility initiatives and community involvement. The Men of Excellence awards took place on June 30, 2017 at the Motor City Casino in Detroit, MI.

"I am beyond honored to receive this recognition," said Victor Edozien. Accolades may come my way but when such recognition comes from our own community it is inestimable. I am humbled and appreciative in ways words cannot adequately express. This recognition from the Michigan Chronicle, a leading African American newspaper, and being inducted into a group with many individuals that I have admired and respected their professional and civic accomplishments is quite awe-inspiring. I am thrilled to be part of this group – The Men of Excellence."

For a decade, the *Michigan Chronicle* has celebrated African American men who inspire others through professional accomplishments and dedication to improving life in the community. Honorees were chosen from over 400 hundred of nominations and join an elite group influential African American men. "These distinguished men not only have professional success to their credit, but they are beacons for the African American community through-out the region," said Hiram Jackson, CEO of Real Times Media and publisher of Michigan Chronicle.

Community involvement and corporate social responsibility is a core value among the Asaba Group companies. SET Enterprises is actively involved with advocacy and supports community organizations like Real Life 101 Scholarship Fund, Rhonda Walker Foundation, Athletes Unlimited and Winning Futures. Cintron World, an Asaba Group company, is demonstrating its commitment to the eradication of breast cancer in communities of color by holding in July 2018 the first USA Cintron Pink Polo event in Detroit. This event will raise funds and increase awareness for breast cancer detection and treatment.
